

A close-up photograph of a vibrant red rose with green leaves in the background. The rose is the central focus, with its many petals showing a rich, slightly darker red hue towards the center and a lighter, almost pinkish-red at the edges. The leaves are a deep green, with some showing signs of aging or damage, particularly a white, powdery substance on the lower left leaf. The lighting is soft, highlighting the texture of the petals and the veins on the leaves.

**Exodus 27:16 And for the gate of  
the court shall be an hanging of  
twenty cubits, of blue, and purple,  
and scarlet, and fine twined linen,  
wrought with needlework: and  
their pillars shall be four, and  
their sockets four.**
