

A close-up photograph of water flowing from a faucet. The water is captured in motion, creating a series of bubbles and droplets that catch the light, giving it a shimmering, crystalline appearance. The background is dark and out of focus, making the bright water the central focus of the image. The text is overlaid on the upper portion of the image in a white, serif font.

**2nd Samuel 03:39 And I am this day
weak, though anoointed king; and
these men the sons of Zeruiah be
too hard for me: the LORD shall
reward the doer of evil according
to his wickedness.**
