

A vibrant still-life photograph of a basket filled with fresh fruit. The basket is lined with a red fabric. The fruit includes several slices of cantaloupe with their green rinds, bright orange slices of oranges, and several slices of ripe yellow bananas. Three butterflies are scattered throughout the scene: a large black butterfly with white markings on its wings is perched on a cantaloupe slice in the upper left; a smaller orange butterfly with black markings is perched on an orange slice in the center; and another black butterfly is perched on a banana slice in the lower right. The lighting is bright, creating strong shadows and highlighting the textures of the fruit and the delicate wings of the butterflies.

Luke 12:17 And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits?
