

A close-up photograph of a field of golden wheat. The wheat stalks are ripe and have a warm, yellowish-gold hue. Interspersed among the wheat are several green weeds, likely clover or similar, which provide a sharp contrast to the golden tones. The lighting is bright, suggesting a sunny day, and the overall texture is dense and organic.

**John 05:25 Verily, verily, I say unto
you, The hour is coming, and now
is, when the dead shall hear the
voice of the Son of God: and they
that hear shall live.**
