

A cluster of white roses is the central focus, resting on a bed of small, greyish-brown gravel. Several large, vibrant green leaves are visible around the flowers, some showing signs of being eaten. The background is dark and out of focus.

**Phillipians 03:21 Who shall change
our vile body, that it may be
fashioned like unto his glorious
body, according to the working
whereby he is able even to subdue
all things unto himself.**
