

A close-up, slightly blurred photograph of a streambed. The foreground is dominated by a dense layer of small, dark, rounded pebbles and stones. In the background, larger, smoother, light-colored rocks are visible, partially submerged in shallow, rippling water. The overall scene is natural and serene, with a focus on the textures of the rocks and the movement of the water.

**Psalm 04:06** There be many that  
say, Who will show us any good?  
**LORD**, lift thou up the light of thy  
countenance upon us.
