

1st Chronicles 11:11 And this is the number of the mighty men whom David had; Jashobeam, an Hachmonite, the chief of the captains: he lifted up his spear against three hundred slain by him at one time.

A butterfly with brown and orange wings is resting on a dark, textured surface. The butterfly's wings are spread, showing intricate patterns of brown, orange, and white. The background is dark and appears to be a natural setting with some green foliage visible on the left side.
