

A decorative waterfall cascading over large, mossy rocks in a garden setting. The water flows from the top left, over several tiers of rocks, and falls into a pool of water at the bottom right. The rocks are wet and covered in green moss. In the background, there are various plants, including tall grasses and small trees, and a stone wall. The overall scene is peaceful and natural.

Psalm 126:01 A Song of degrees.
When the LORD turned again the
captivity of Zion, we were like
them that dream.
