

A close-up photograph of a vibrant red lily flower. The petals are a rich, fiery red color, adorned with numerous small, dark black spots. The texture of the petals appears slightly velvety. The background is a dark, muted grey, which makes the bright red of the flower stand out prominently. The lighting is soft, highlighting the delicate structure of the flower's center and the veins on the petals.

Lamentations 03:14 I was a
derision to all my people; and
their song all the day.
