

A close-up photograph of a large, light-colored flower, possibly a lily or a similar species, with a prominent, textured center of stamens and pistils. The petals are a pale yellow or cream color, and the center is a vibrant orange-red. The background is dark and out of focus.

**1st Corinthians 07:34 There is  
difference also between a wife and  
a virgin. The unmarried woman  
careth for the things of the Lord,  
that she may be holy both in body  
and in spirit: but she that is  
married careth for the things of  
the world, how she may please her  
husband.**
