

A black butterfly with orange spots on its wings is perched on a cluster of small purple flowers. The background is a soft-focus green and yellow. The text is overlaid in white, bold, sans-serif font.

2nd Chronicles 35:25 And Jeremiah lamented for Josiah: and all the singing men and the singing women spake of Josiah in their lamentations to this day, and made them an ordinance in Israel: and, behold, they are written in the lamentations.
