

A sunset over a body of water. The sun is low on the horizon, creating a bright glow and reflecting on the water's surface. The sky is filled with scattered clouds. In the distance, there are silhouettes of industrial structures, including a large cylindrical tank. A dark dock or pier is visible on the right side of the water.

Genesis 08:13 And it came to pass  
in the six hundredth and first year,  
in the first month, the first day of  
the month, the waters were dried  
up from off the earth: and Noah  
removed the covering of the ark,  
and looked, and, behold, the face  
of the ground was dry.
