

A dirt road winds through a dry, hilly landscape. The road is light brown and appears to be a well-used path. On the left side of the road, there is a dense line of tall, thin, brownish plants, possibly reeds or grasses, that have been cut or are naturally growing in a row. The background shows a hillside covered in sparse, dry vegetation, including small green shrubs and some brown, dead-looking plants. The sky is a clear, bright blue. The overall scene is arid and sunlit.

Zechariah 14:16 And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD of hosts, and to keep the feast of tabernacles.
