

A close-up photograph of a pink and yellow flower with green leaves growing from dark, rocky soil. The flower has five petals, with a bright yellow center and a gradient to pink at the edges. The leaves are large, green, and have a distinctively wrinkled or veined texture. The soil is dark brown and contains small rocks and bits of organic matter.

Joshua 15:01 This then was the lot
of the tribe of the children of
Judah by their families; even to the
border of Edom the wilderness of
Zin southward was the uttermost
part of the south coast.
