

A large tortoise is the central focus of the image, resting on a patch of dirt and sparse green grass. Its head is turned towards the left, and its front legs are visible. The tortoise's shell is a mix of brown and tan colors with distinct scutes. In the background, a green chain-link fence is visible, partially obscured by the tortoise's body. The lighting is bright, suggesting a sunny day.

those lands any ways able to
deliver their lands out of mine
