

A photograph of a small waterfall cascading over several layers of large, reddish-brown rocks. The water is clear and creates white foam as it falls. In the foreground, there are several tall, green, blade-like plants, possibly grasses or reeds, which are slightly out of focus. The background shows more rocks and some green foliage.

Genesis 19:11 And they smote the men that were at the door of the house with blindness, both small and great: so that they wearied themselves to find the door.
