

A close-up photograph of a golden wheat ear, showing the individual grains and their awns. The wheat is set against a background of many other wheat stalks, which are out of focus, creating a sense of a vast field. The lighting is warm and natural, highlighting the texture and color of the grain.

**Psalm 21:03 For thou preventest
him with the blessings of
goodness: thou settest a crown of
pure gold on his head.**
