

A close-up photograph of a large tortoise, likely a Galapagos tortoise, resting on a weathered log. The tortoise's head is in the foreground, looking towards the left. Its shell is a mix of dark brown and greyish-brown scutes. The background is a blurred natural setting with green foliage and a wooden fence.

**Psalm 58:03 The wicked are  
estranged from the womb: they go  
astray as soon as they be born,  
speaking lies.**
