

A photograph of a desert landscape. In the foreground, there is a sandy area with many small, light-colored rocks scattered across it. A small, dry, brown bush is visible near the bottom center. In the middle ground, a large, dark brown rock formation dominates the scene, featuring a prominent natural rock archway. The background shows a vast, open desert with rolling hills and mountains under a bright blue sky with scattered white clouds. The overall scene is arid and rugged.

profess unto them, I never knew
you: depart from me, ye that work
