

A monarch butterfly with vibrant orange wings and black markings is perched on a grey, textured rock. The butterfly is the central focus, with its wings spread slightly. The background is a blurred natural setting with more rocks and foliage.

**2nd Chronicles 16:12 And Asa in
the thirty and ninth year of his
reign was diseased in his feet,
until his disease was exceeding
great : yet in his disease he sought
not to the LORD, but to the
physicians.**
