

A multi-tiered waterfall cascading over dark, wet rocks in a lush, green garden setting. The water flows from a higher level of light-colored rocks down through several layers of dark, mossy stones, creating white foam and splashing. The background is filled with dense green foliage, including pine trees and other shrubs, under a clear blue sky.

circumcise the flesh of your  
foreskin; and it shall be a token of  
the covenant betwixt me and you.
