

A close-up photograph of a sunflower head, showing the intricate details of the yellow petals and the dark brown, textured center. The sunflower is the central focus, with its vibrant yellow petals radiating outwards. The center of the flower is a dense cluster of dark brown, elongated seeds, each with a small, lighter-colored tip. The background is a soft, out-of-focus yellow, suggesting more petals or a bright, sunny environment. The overall lighting is warm and bright, highlighting the natural textures and colors of the sunflower.

Joshua 19:31 This is the inheritance
of the tribe of the children of
Asher according to their families,
these cities with their villages.
