

Nehemiah 10:16 Adonijah, Bigvai,
Adin,

A vibrant garden scene with a variety of plants. In the foreground, there are several large, white and yellow flowers with dark purple centers, possibly a type of iris or peony. The background is filled with tall, green, sword-shaped leaves, likely from irises, and clusters of purple flowers. The lighting is bright, creating a sense of a sunny day in a well-maintained garden.
