

A lush garden scene featuring a pond in the foreground. The water is calm, reflecting the surrounding greenery and flowers. In the middle ground, a dense cluster of yellow irises with long, slender leaves grows along the edge of the pond. Behind the irises, a large, healthy rose bush is in full bloom, displaying numerous bright red and pink roses. To the left, a wooden deck or walkway is partially visible, with a wooden railing. The background is filled with more green foliage, including what appears to be a large evergreen tree on the right side. The overall atmosphere is peaceful and vibrant, with bright sunlight filtering through the leaves.
