

A close-up photograph of a vibrant orange and yellow rose. The petals are layered, showing a gradient from bright yellow in the center to deep orange and red at the edges. A small, dark insect, possibly a fly or bee, is perched on one of the upper petals. The background is softly blurred, showing other roses and green foliage. The text is overlaid in white, bold, serif font.

**Romans 14:15 But if thy brother be
grieved with thy meat, now
walkest thou not charitably.
Destroy not him with thy meat, for
whom Christ died.**
