

A close-up photograph of a branch of a bleeding heart plant (Lamprolaminum prostratum). The branch is covered with numerous bright pink, heart-shaped flowers that hang downwards. The flowers have a delicate, papery texture and a small white and yellow center. The background is a soft-focus green, suggesting a garden setting. The text is overlaid on the image in a white, serif font.

**Judges 18:12 And they went up, and pitched in Kirjathjearim, in Judah: wherefore they called that place Mahanehdan unto this day: behold, it is behind Kirjathjearim.**
