A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

Word Study for --- BANNERS

The background of the image is a lush, green thicket of plants. The plants have many small, bright green, lance-shaped leaves. Interspersed among the leaves are numerous upright, reddish-brown spike-like inflorescences, which appear to be clusters of small flowers or fruits. The overall scene is vibrant and natural.

**Psa 20:05 We will rejoice in thy
salvation, and in the name of our God
we will set up loud banners: the LORD
fulfil all thy petitions.**

**Son 06:04 Thou (art) beautiful, O my
love, as Tirzah, comely as Jerusalem,
terrible as (an army) with banners.**

**Son 06:10 Who [is] she [that] looketh
forth as the morning, fair as the moon,
clear as the sun, [and] terrible as [an
army] with banners?**
