# **Word Study for --- DANCE**

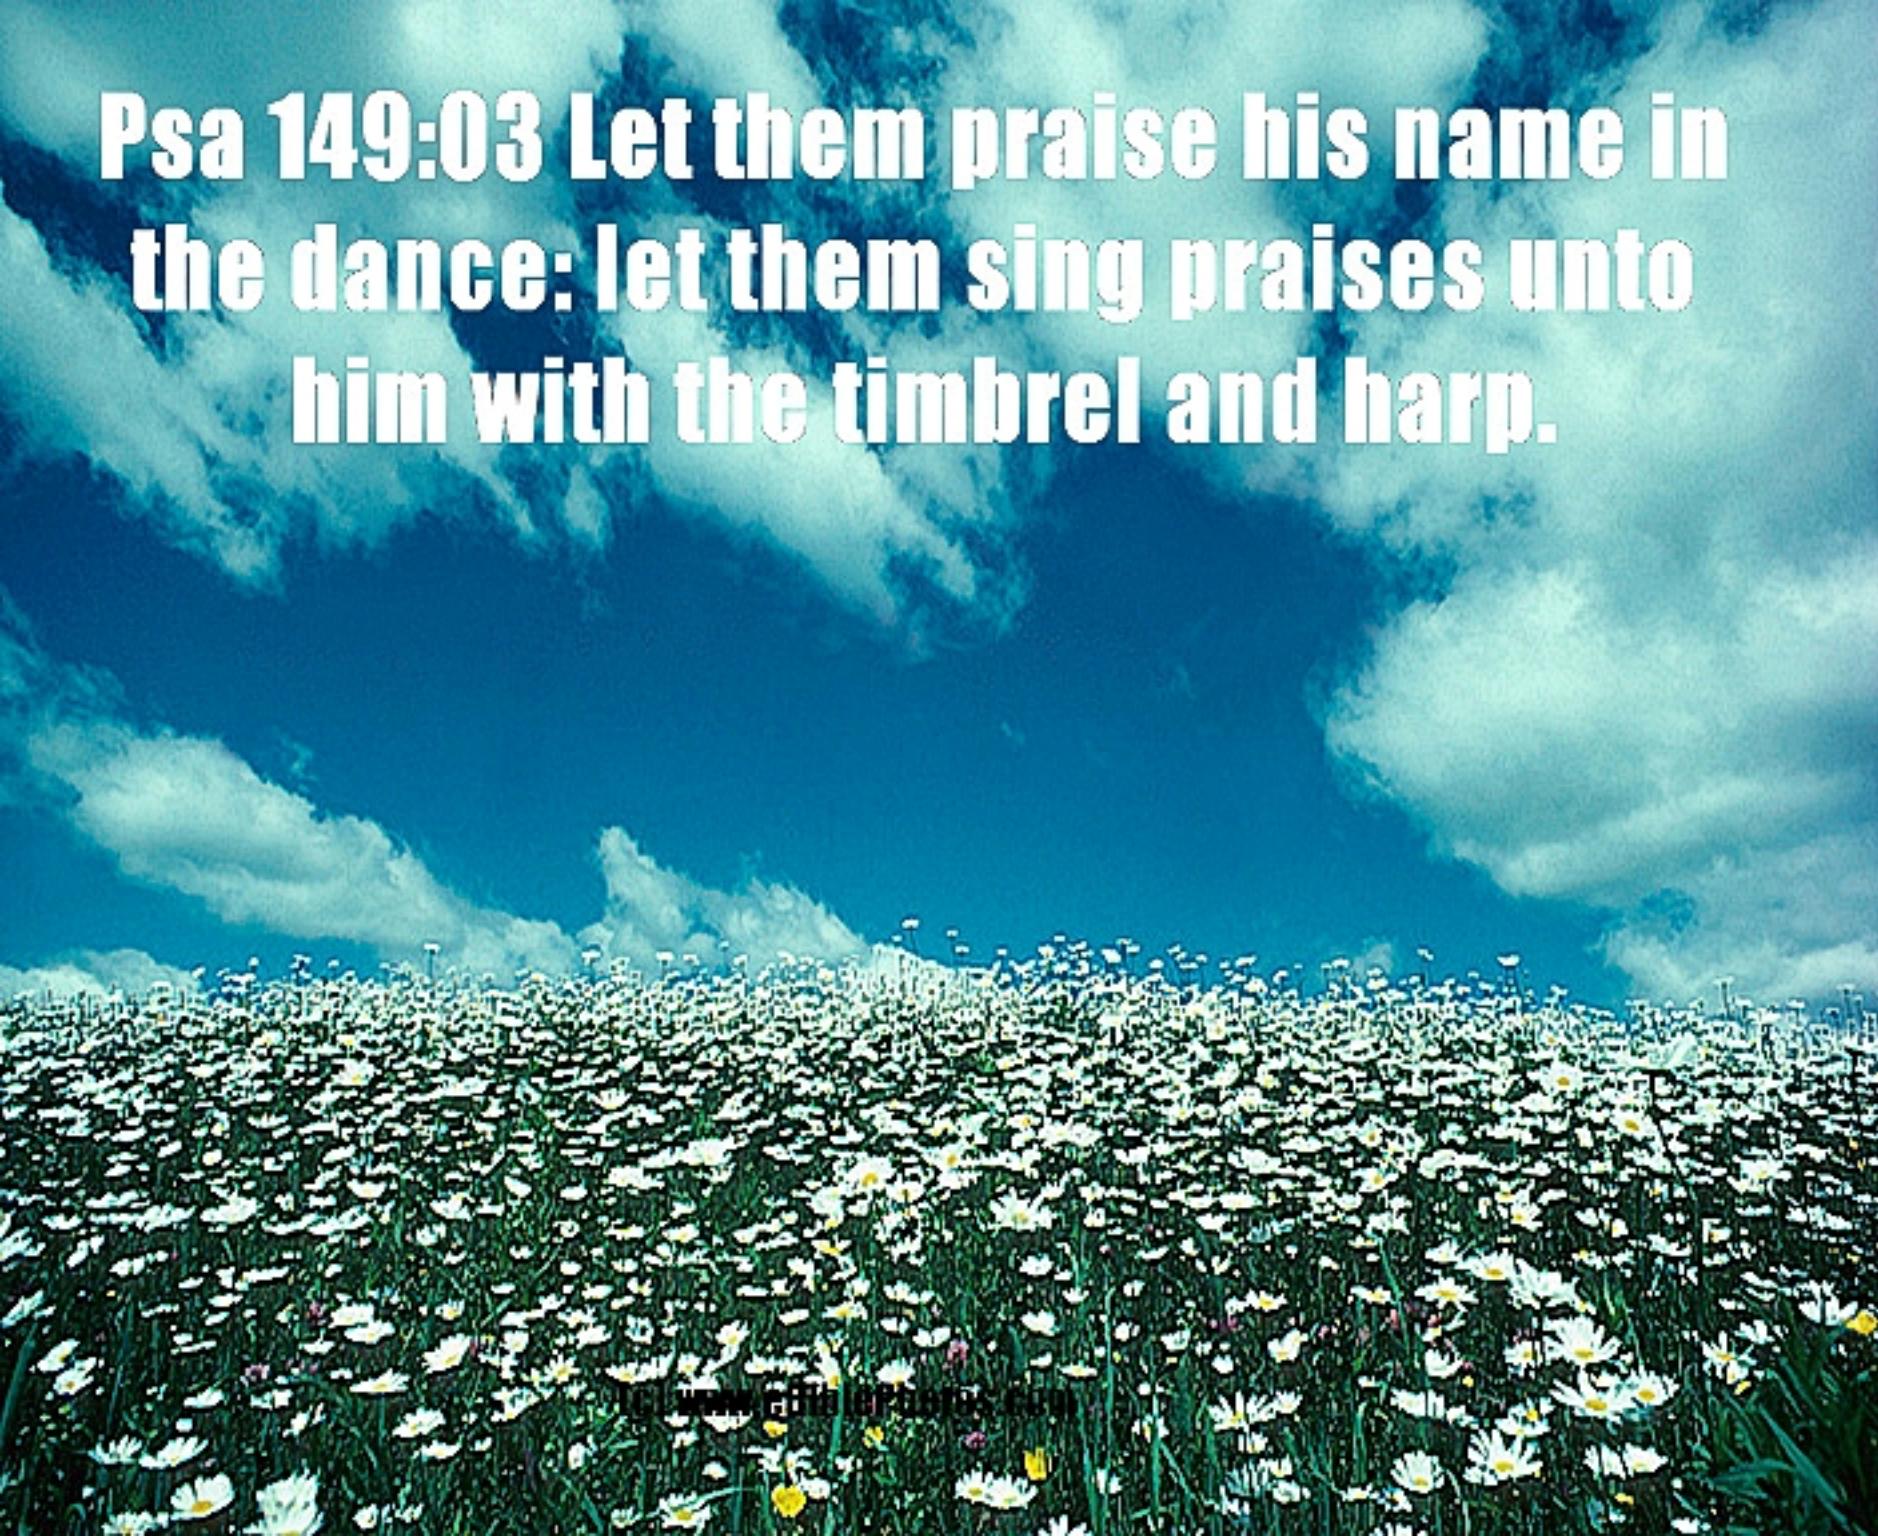

A wide-angle photograph of a mountainous landscape. In the foreground, a dark, rocky shoreline is visible with small icebergs floating in the water. Behind it, a massive glacier flows down from the center-left towards the right. The glacier's surface is textured and light-colored. In the background, several majestic, snow-capped mountain peaks rise against a clear, pale blue sky. The overall scene is one of natural grandeur and cold beauty.
