A photograph of a desert landscape. In the center, a large, dark shadow is cast onto the sand, suggesting a person or object is standing just out of frame. The background features a prominent rock formation with vertical fissures. The ground is sandy and shows some tire tracks. The overall scene is brightly lit, creating high contrast between the sunlit sand and the deep shadow.

**Act 14:17 Nevertheless he left not himself without witness, in that he did good, and gave us rain from heaven, and fruitful seasons, filling our hearts with food and gladness.**
