Word Study for --- FLEEING

A large, multi-armed cholla cactus (Cylindropuntia) dominates the foreground, its thick, segmented arms reaching upwards and outwards. The cactus is covered in small, sharp spines. In the background, a smaller, more traditional saguaro cactus (Cylindropuntia) stands against a clear, bright blue sky. The overall scene is a close-up, low-angle shot of the cholla, emphasizing its size and texture.

**Lev 26:36 And upon them that are left I
alive) of you I will send a faintness
into their hearts in the lands of their
enemies; and the sound of a shaken
leaf shall chase them; and they shall
flee, as fleeing from a sword; and they
shall fall when none pursueth.**

**Deu 04:42 That the slayer might flee
thither, which should kill his
neighbour unawares, and hated him
not in times past; and that fleeing unto
one of these cities he might live:**

**Job 30:03 For want and famine [they
were] solitary; fleeing into the
wilderness in former time desolate
and waste.**
