Word Study for --- FRIENDSHIP

A landscape of dry, cracked, reddish-brown earth under a clear blue sky. The ground is parched and cracked in many places, with some small puddles of water visible. The sky is a clear, pale blue. The overall scene is one of arid, dry conditions.

**Pro 22:24 Make no friendship with an
angry man; and with a furious man thou
shalt not go:**

A scenic sunset over a lake. The sky is a warm orange and yellow, reflecting on the water. Silhouetted trees and rocks are visible in the foreground and middle ground. A small boat is visible on the right side of the lake.

Jam 04:04 Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God.
