An aerial photograph of a vast, arid desert landscape. The terrain is characterized by a complex network of deep, winding erosion channels and smaller, intricate patterns of dry rills. The ground is a mix of dark brown and reddish-orange hues, indicating mineral-rich soil. In the background, a low horizon line is visible under a sky transitioning from a deep blue at the top to a bright orange and yellow near the horizon, where the sun is setting or rising. The overall scene conveys a sense of extreme dryness and ancient geological processes.

among I those that were reckoned by
genealogy, but they were not found:
therefore were they, as polluted, put
from the priesthood.**
