# Word Study for --- HADADRIMMON

An aerial photograph of a vast, rolling landscape. The terrain is characterized by vibrant green and brown fields, likely a valley or agricultural region. The fields are arranged in a pattern of concentric, wavy lines, suggesting a large-scale agricultural project or a natural geological formation. The colors are bright and saturated, with deep greens and rich browns. The overall scene is one of a vast, open, and fertile land.

**Zec 12:11 In that day shall there be a  
great mourning in Jerusalem; as the  
mourning of Hadadrimmon in the  
valley of Megiddon.**
