# Word Study for -- HALE

A photograph of a waterfall cascading down a rocky cliff. The water is white and frothy as it falls, creating a stark contrast with the dark, wet rocks. The surrounding area is lush with green moss and small plants. The overall scene is serene and powerful.

**Luk 12:58 When thou goest with thine adversary to the magistrate, (as thou art) in the way, give diligence that thou mayest be delivered from him; lest he hale thee to the judge, and the judge deliver thee to the officer, and the officer cast thee into prison.**
