Word Study for --- HAY

Pro 27:25 The hay appeareth, and the tender grass showeth itself, and herbs of the mountains are gathered.

A photograph of a waterfall in a lush, green forest. The water is captured in a long-exposure shot, creating a soft, white, curtain-like effect as it falls into a dark pool of water. The surrounding area is filled with dense foliage, including ferns and other green plants. The foreground shows a rocky, gravelly bank with some small green plants. The overall scene is serene and natural.
