Word Study for --- JUDAH'S

A scenic view of a golf course. In the foreground, a large, calm lake reflects the surrounding landscape. The golf course is visible behind the water, with several green fairways and a putting green. A cluster of tall evergreen trees stands on a hill to the left, while a row of deciduous trees with autumn-colored leaves runs along the right side. In the far distance, a few buildings, possibly resort lodges or houses, are nestled among the trees under a clear blue sky.

Gen 38:07 And Er, Judah's firstborn, was wicked in the sight of the LORD; and the LORD slew him.

Gen 38:12 And in process of time the daughter of Shuaah Judah's wife died; and Judah was comforted, and went up unto his sheepshearers to Timnath, he and his friend Hirah the Adullamite.

**Jer 32:02 For then the king of
Babylon's army besieged Jerusalem:
and Jeremiah the prophet was shut up
in the court of the prison, which I was
in the king of Judah's house.**

**Jer 38:22 And, behold, all the women
that are left in the king of Judah's
house shall be brought forth to the king
of Babylon's princes, and those women
shall say, Thy friends have set thee on,
and have prevailed against thee: thy
feet are sunk in the mire, and they are
turned away back.**
