A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, which makes the vibrant purple of the flowers stand out.

WATER SNOW for --- MOISTENED

A scenic view of a rocky coastline. In the upper right, a green boat is docked at a rocky shore. The water is dark blue with some ripples. In the foreground, there is a dense thicket of dry, brownish vegetation. The text is overlaid on the top half of the image.

**Job 21:24 His breasts are full of milk,
and his bones are moistened with
marrow.**
