his servants, shipmen that had
knowledge of the sea, with the
servants of Solomon.**

A close-up photograph of a waterfall cascading down a dark, wet rock face. The water is white and frothy as it falls. To the right of the waterfall, there is a large patch of bright green moss or algae growing on the rock. The overall scene is natural and serene.

**1Ki 10:11 And the navy also of Hiram,
that brought gold from Ophir, brought
in from Ophir great plenty of almug
trees, and precious stones.**

A close-up photograph of several bright red, star-shaped flowers with yellow centers, growing from dark, jagged volcanic rocks. The flowers are the central focus, with their vibrant color contrasting sharply against the dark, textured background of the rocks. The lighting is natural, highlighting the delicate structure of the petals.

**1Ki 10:22 For the king had at sea a navy
of Tharshish with the navy of Hiram:
once in three years came the navy of
Tharshish, bringing gold, and silver,
ivory, and apes, and peacocks.**
