Word Study for --- PLANTETH

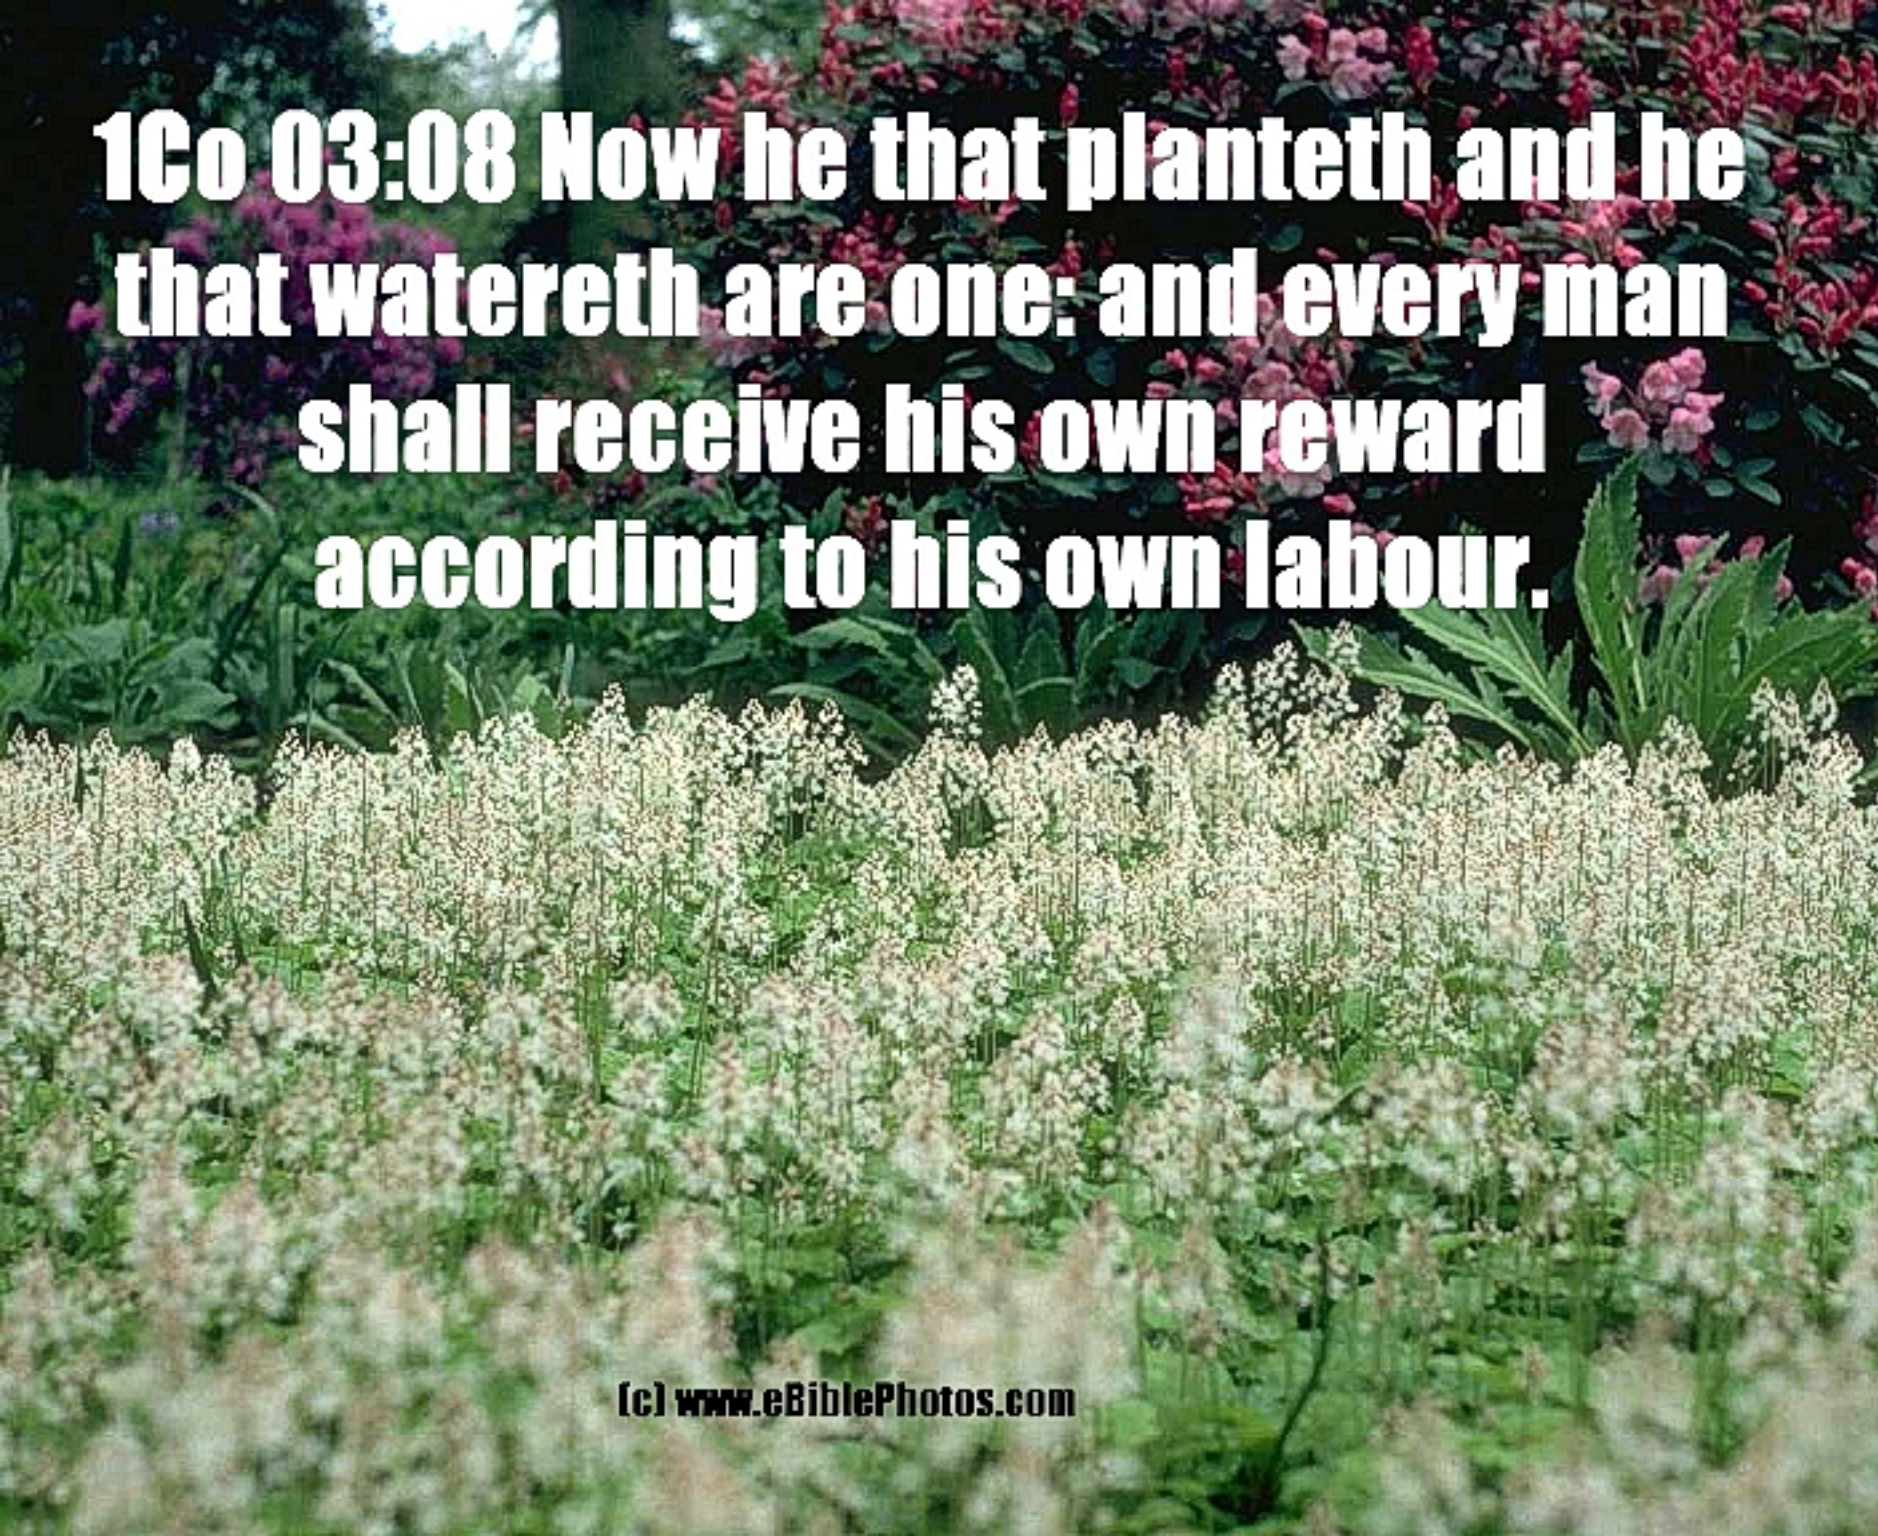

A large, textured rock formation, possibly a natural arch or a large boulder, dominates the center of the image. The rock has a rough, porous appearance with various shades of brown and tan. It is set against a background of a rocky, hilly landscape with sparse green vegetation. The lighting suggests a bright, sunny day, casting shadows on the ground around the rock.

she planteth a vineyard.**

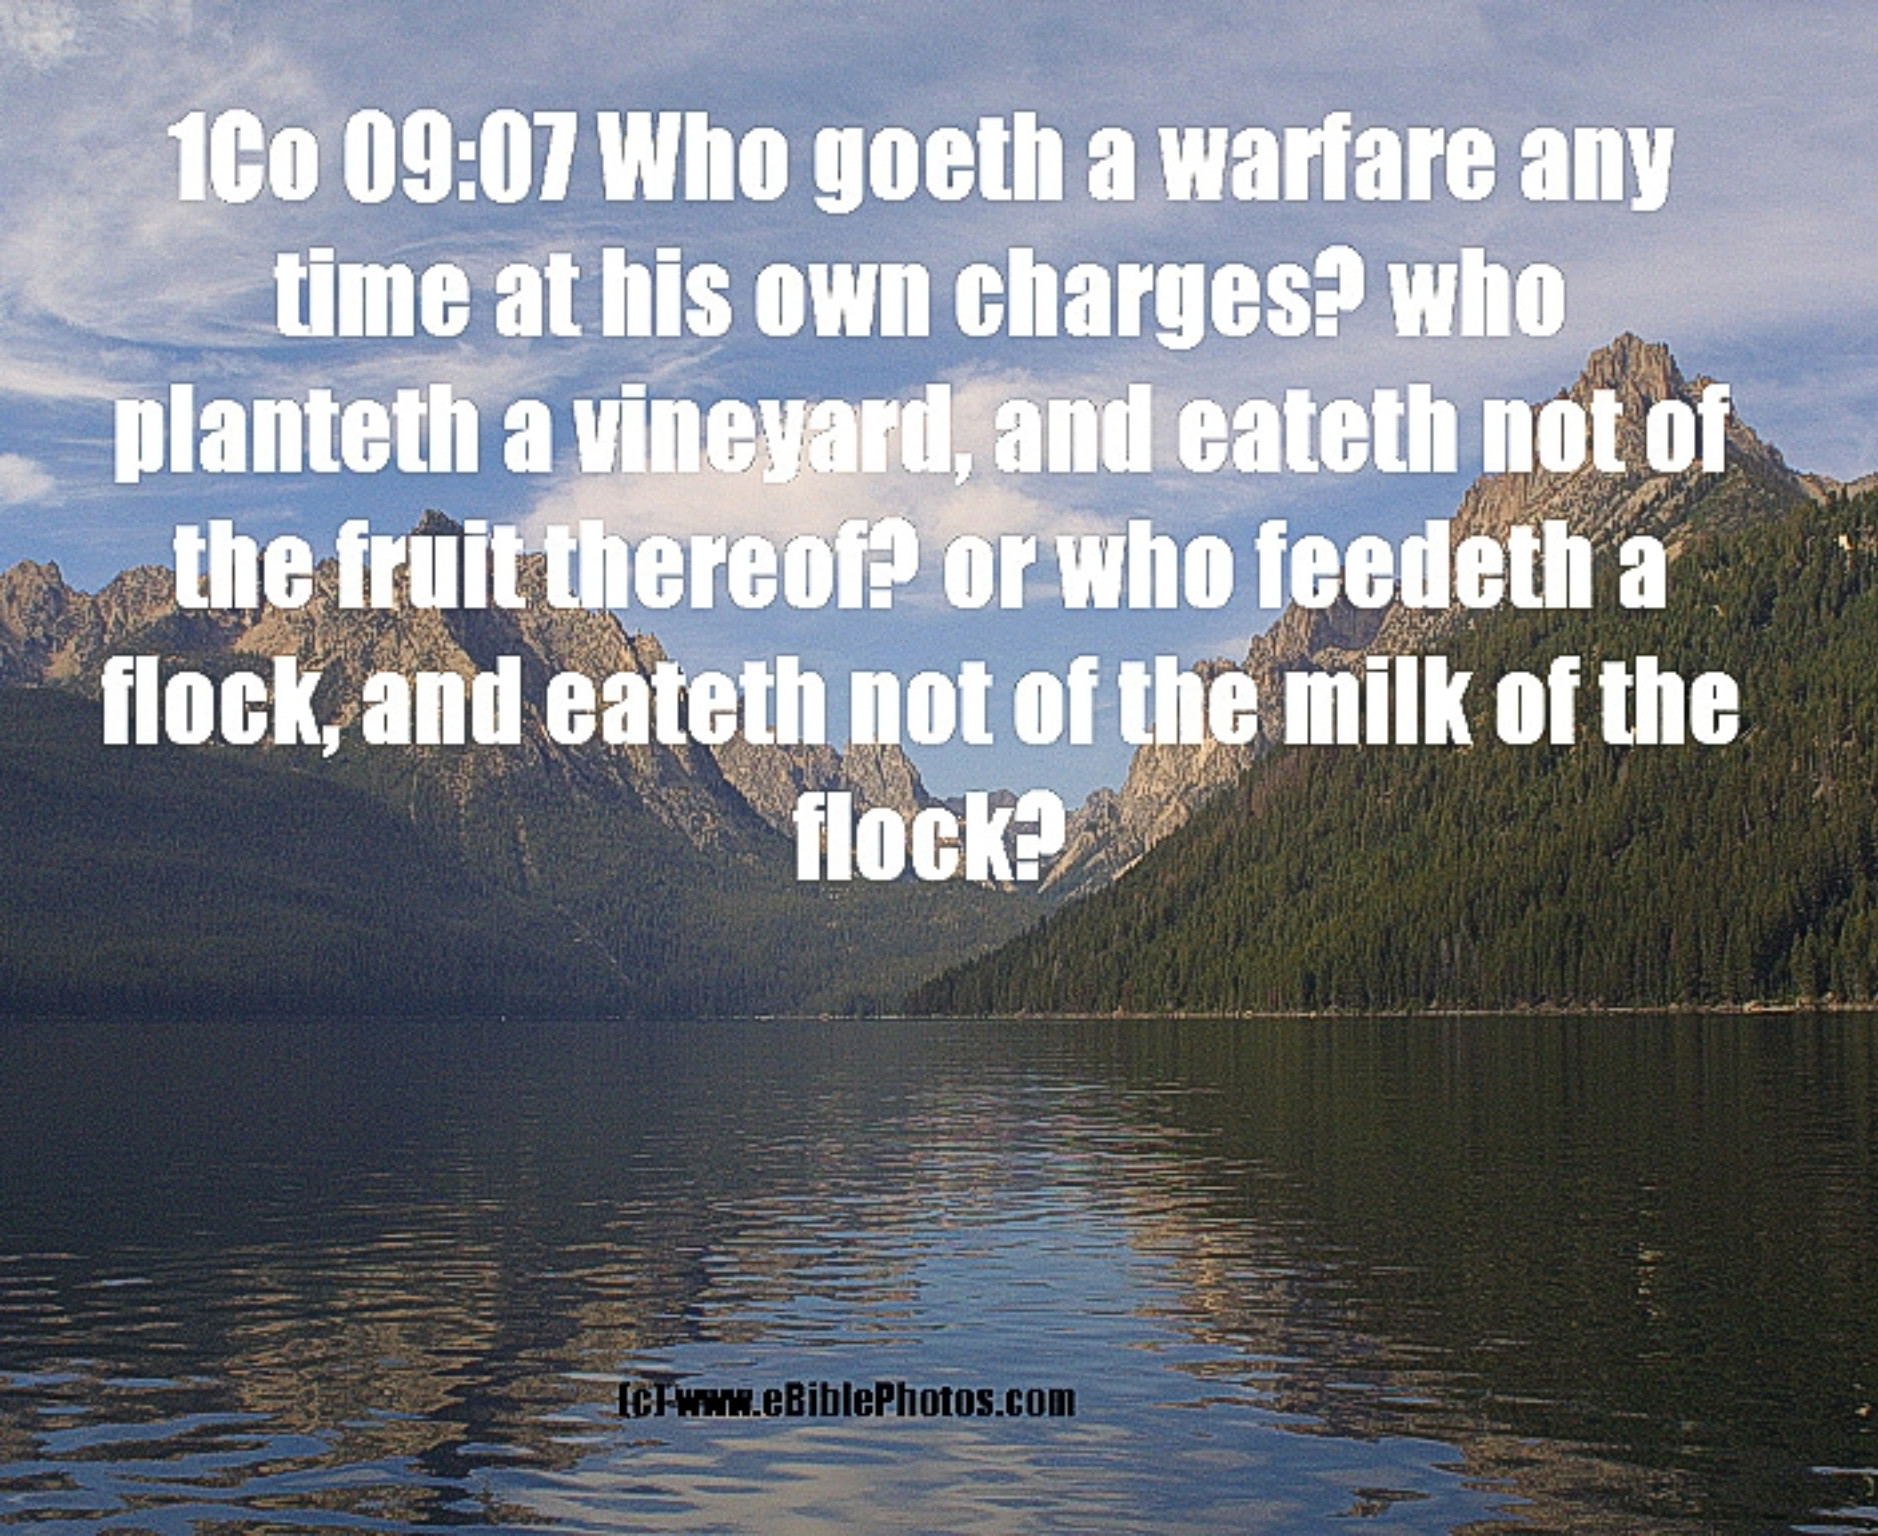

A photograph of a rocky coastline. The foreground shows a sandy beach with several seagulls. The middle ground is dominated by large, layered rock formations in shades of brown and tan, showing signs of weathering and erosion. The background is a dark, overcast sky.

shall receive his own reward
according to his own labour.**
