Word Study for --- POLLS

The image features three vibrant red roses in full bloom, set against a dark, almost black background. The roses are positioned in a triangular arrangement: one at the top center, and two below it, one to the left and one to the right. The petals are rich red with some lighter, almost white, variegation near the centers. Green leaves are visible around the stems of the roses. The overall lighting is dramatic, highlighting the texture and color of the flowers.
