Word Study for --- RUINED

A wide-angle photograph of a mountainous landscape under a dramatic sky. The upper half of the image is dominated by dark, heavy clouds. A bright, intense light source, likely the sun, is visible through a break in the clouds, creating a powerful sunburst effect with rays of light extending downwards. Below the clouds, several mountain peaks are visible, their slopes covered in a mix of dark vegetation and lighter, possibly snow or ice-covered areas. The foreground is a dark, flat expanse, likely a valley floor or a body of water, which provides a strong contrast to the bright sky.

**Isa 03:08 For Jerusalem is ruined, and
Judah is fallen: because their tongue
and their doings are against the LORD,
to provoke the eyes of his glory.**

**Eze 36:35 And they shall say, This land
that was desolate is become like the
garden of Eden; and the waste and
desolate and ruined cities have
become fenced, [land] are inhabited.**

Eze 36:36 Then the heathen that are left round about you shall know that I the LORD build the ruined [places, and] plant that that was desolate: I the LORD have spoken [it], and I will do [it].
