A wide-angle photograph of a natural landscape. In the foreground, there's a rocky shoreline with some low-lying green plants and wildflowers. Beyond the shore is a large, calm lake with a deep blue tint. In the middle ground, across the lake, there's a small, dark, grassy island. The background is dominated by a range of mountains. Some of the peaks are covered in dark forest, while others are capped with white snow. The sky above is filled with various types of clouds, from wispy cirrus to heavy cumulus.

Word Study for --- SKY

**Deu 33:26 [There is] none like unto the
God of Jeshurun, [who] rideth upon the
heaven in thy help, and in his
excellency on the sky.**

**Job 37:18 Hast thou with him spread
out the sky, [which is] strong, [and] as
a molten looking glass?**

Mat 16:02 He answered and said unto them, When it is evening, ye say, [It will be] fair weather: for the sky is red.

**Mat 16:03 And in the morning, [It will
be] foul weather to day: for the sky is
red and lowering. O lyel hypocrites, ye
can discern the face of the sky; but
can ye not [discernt] the signs of the
times?**

Luk 12:56 [Ye] hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time?

**Heb 11:12 Therefore sprang there even
of one, and him as good as dead, [so
many] as the stars of the sky in
multitude, and as the sand which is by
the sea shore innumerable.**
