A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

An aerial photograph of a rugged coastline. The foreground shows a sandy beach curving along the edge of a dark blue sea. In the middle ground, there are prominent, layered rock cliffs with a reddish-brown hue, topped with patches of green vegetation. The background shows more of the coastline extending into the distance under a clear blue sky.
