A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing delicate petals and intricate floral structures. The background is a dark, out-of-focus green, suggesting foliage. The text is overlaid on the top portion of the image.

# Word Study for --- THIMNATHAN

An aerial photograph showing a rugged coastline. The left side of the image is dominated by deep blue water with white foam from waves crashing against a rocky shore. A narrow, dark, rocky strip of land runs diagonally from the top center towards the bottom right. To the right of this strip is a lush, green landscape with dense vegetation and some trees. The overall scene is a natural, coastal environment.
