Word Study for --- WRAP

A photograph showing a person's legs sticking out from under a bed. The bed is covered with a light-colored, textured blanket. The person's legs are wearing dark shorts and are positioned in a way that suggests they are stretched out, but the bed is too short for them. The background is a plain, light-colored wall.

**Isa 28:20 For the bed is shorter than
that a man can stretch himself on it:
and the covering narrower than that he
can wrap himself in it.**

**Mic 07:03 That they may do evil with
both hands earnestly, the prince
asketh, and the judge [asketh] for a
reward; and the great [man], he
uttereth his mischievous desire: so
they wrap it up.**
