

A photograph of a waterfall cascading into a pool of water. The waterfall is the central focus, with water falling from the top and creating a white, frothy splash at the bottom. The surrounding area is lush with green moss and ferns. In the foreground, a large, weathered piece of driftwood lies on the left side of the pool. The overall scene is serene and natural.

**2nd Timothy 03:04 Traitors, heady,
highminded, lovers of pleasures
more than lovers of God;**
