

A high-angle photograph of a canyon with distinct horizontal rock layers. The foreground shows a river with a blueish tint, possibly due to the water's depth or the surrounding environment. The canyon walls are composed of reddish-brown and tan rock, showing signs of erosion. The background features more rugged terrain under a clear sky.

**1Jo 05:05 Who is he that overcometh  
the world, but he that believeth that  
Jesus is the Son of God?**
