

A wide-angle photograph of a desert landscape, likely Monument Valley. The foreground is a vast, flat expanse of dry, yellowish-brown earth with sparse, low-lying vegetation. In the middle ground, several prominent, rounded butte rock formations rise from the plain. The sky is a deep blue, filled with soft, white clouds. The overall scene is bright and clear, suggesting a sunny day.

**Php 03:03 For we are the
circumcision, which worship God in
the spirit, and rejoice in Christ Jesus,
and have no confidence in the flesh.**
