

A scenic view of a rocky coastline. In the foreground, a large, dark, craggy rock formation juts out into the water. The ocean is a deep greenish-blue, with white-capped waves breaking against the shore. In the background, a smaller, rounded rock formation sits in the water, and a forested hillside rises on the right. The sky is a clear, bright blue.

John 20:31 But these are written,  
that ye might believe that Jesus is  
the Christ, the Son of God; and  
that believing ye might have life  
through his name.
