[ql language 3937 ## la And the whole earth was of one {language}, and of one speech. language And the LORD said, Behold, the people [is] one, and they have all one {language}; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. language Go to, let us go down, and there confound their {language}, that they may not understand one another's speech. language Therefore is the name of it called Babel; because the LORD did there confound the {language} of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth. language <2KI18 -26> Then said Eliakim the son of Hilkiah, and Shebna, and Joah, unto Rabshakeh, Speak, I pray thee, to thy servants in the Syrian language; for we understand [it]: and talk not with us in the Jews' {language} in the ears of the people tha t [are] on the wall. language <2KI18 -26> Then said Eliakim the son of Hilkiah, and Shebna, and Joah, unto Rabshakeh, Speak, I pray thee, to thy servants in the Syrian {language}; for we understand [it]: and talk not with us in the Jews' language in the ears of the people tha t [are] on the wall. language <2KI18 -28> Then Rabshakeh stood and cried with a loud voice in the Jews' {language}, and spake, saying, Hear the word of the great king, the king of Assyria: language And their children spake half in the speech of Ashdod, and could not speak in the Jews' language, but according to the {language} of each people. language And their children spake half in the speech of Ashdod, and could not speak in the Jews' {language}, but according to the language of each people. language For he sent letters into all the king's provinces, into every province according to the writing thereof, and to every people after their language, that every man should bear rule in his own house, and that [it] should be published acco rding to the {language} of every people. language For he sent letters into all the king's provinces, into every province according to the writing thereof, and to every people after their {language}, that every man should bear rule in his own house, and that [it] should be published ac cording to the language of every people. language Then were the king's scribes called on the thirteenth day of the first month, and there was written according to all that Haman had commanded unto the king's lieutenants, and to the governors that [were] over every province, and to the rulers of every people of every province according to the writing thereof, and [to] every people after their {language}; in the name of king Ahasuerus was it written, and sealed with the king's ring. l anguage Then were the king's scribes called at that time in the third month, that [is], the month Sivan, on the three and twentieth [day] thereof; and it was written according to all that Mordecai commanded unto the Jews, and to the lieutenants*

, and the deputies and rulers of the provinces which [are] from India unto Ethiopia, an hundred twenty and seven provinces, unto every province according to the writing thereof, and unto every people after their language, and to the Jews according to thei r writing, and according to their {language}. language Then were the king's scribes called at that time in the third month, that [is], the month Sivan, on the three and twentieth [day] thereof; and it was written according to all that Mordecai commanded unto the Jews, and to the lieutenants , and the deputies and rulers of the provinces which [are] from India unto Ethiopia, an hundred twenty and seven provinces, unto every province according to the writing thereof, and unto every people after their {language}, and to the Jews according to th eir writing, and according to their language. language There is] no speech nor {language}, [where] their voice is not heard. language This he ordained in Joseph [for] a testimony, when he went out through the land of Egypt: [where] I heard a {language} [that] I understood not. language When Israel went out of Egypt, the house of Jacob from a people of strange {language}; language In that day shall five cities in the land of Egypt speak the {language} of Canaan, and swear to the LORD of hosts; one shall be called, The city of destruction. language Then said Eliakim and Shebna and Joah unto Rabshakeh, Speak, I pray thee, unto thy servants in the Syrian {language}; for we understand [it]; and speak not to us in the Jews' language, in the ears of the people that [are] on the wall. language Then said Eliakim and Shebna and Joah unto Rabshakeh, Speak, I pray thee, unto thy servants in the Syrian language; for we understand [it]; and speak not to us in the Jews' {language}, in the ears of the people that [are] on the wall. language Then Rabshakeh stood, and cried with a loud voice in the Jews' {language}, and said, Hear ye the words of the great king, the king of Assyria. language Lo, I will bring a nation upon you from far, O house of Israel, saith the LORD: it [is] a mighty nation, it [is] an ancient nation, a nation whose {language} thou knowest not, neither understandest what they say. language For thou [art] not sent to a people of a strange speech and of an hard {language}, [but] to the house of Israel; language Not to many people of a strange speech and of an hard {language}, whose words thou canst not understand. Surely, had I sent thee to them, they would have hearkened unto thee. language Therefore I make a decree, That every people, nation, and {language}, which speak any thing amiss against the God of Shadrach, Meshach, and Abednego, shall be cut in pieces, and their houses shall be made a dunghill: because there is n o other God that can deliver after this sort. language For then will I turn to the people a pure {language}, that they may all call upon the name of the LORD, to serve him with one consent. language Now when this was noised abroad, the multitude came together, and were confounded, because that every man heard them speak in his own {language}.

language And the whole earth was of one {language}, and of one speech. language And the LORD said, Behold, the people [is] one, and they have all one {language}; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. language Go to, let us go down, and there confound their {language}, that they may not understand one another's speech. language Therefore is the name of it called Babel; because the LORD did there confound the {language} of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth. language <2KI18 -26> Then said Eliakim the son of Hilkiah, and Shebna, and Joah, unto Rabshakeh, Speak, I pray thee, to thy servants in the Syrian language; for we understand [it]: and talk not with us in the Jews' {language} in the ears of the people tha t [are] on the wall. language <2KI18 -26> Then said Eliakim the son of Hilkiah, and Shebna, and Joah, unto Rabshakeh, Speak, I pray thee, to thy servants in the Syrian {language}; for we understand [it]: and talk not with us in the Jews' language in the ears of the people tha t [are] on the wall. language <2KI18 -28> Then Rabshakeh stood and cried with a loud voice in the Jews' {language}, and spake, saying, Hear the word of the great king, the king of Assyria: language And their children spake half in the speech of Ashdod, and could not speak in the Jews' language, but according to the {language} of each people. language And their children spake half in the speech of Ashdod, and could not speak in the Jews' {language}, but according to the language of each people. language For he sent letters into all the king's provinces, into every province according to the writing thereof, and to every people after their language, that every man should bear rule in his own house, and that [it] should be published acco rding to the {language} of every people. language For he sent letters into all the king's provinces, into every province according to the writing thereof, and to every people after their {language}, that every man should bear rule in his own house, and that [it] should be published ac cording to the language of every people. language Then were the king's scribes called on the thirteenth day of the first month, and there was written according to all that Haman had commanded unto the king's lieutenants, and to the governors that [were] over every province, and to the rulers of every people of every province according to the writing thereof, and [to] every people after their {language}; in the name of king Ahasuerus was it written, and sealed with the king's ring. l anguage Then were the king's scribes called at that time in the third month, that [is], the month Sivan, on the three and twentieth [day] thereof; and it was written according to all that Mordecai commanded unto the Jews, and to the lieutenants , and the deputies and rulers of the provinces which [are] from India unto Ethiopia, an hundred twenty and seven provinces, unto every province according to the writing thereof, and unto every people after their language, and to the Jews according to thei r writing, and according to their {language}. language Then were the king's scribes called at that time in the third month, that [is], the month Sivan, on the three and twentieth [day] thereof; and it was written according to all that Mordecai commanded unto the Jews, and to the lieutenants , and the deputies and rulers of the provinces which [are] from India unto Ethiopia, an hundred twenty and seven provinces, unto every province according to the writing thereof, and unto every people after their {language}, and to the Jews according to th eir writing, and according to their language. language There is] no speech nor {language}, [where] their voice is not heard. language This he ordained in Joseph [for] a testimony, when he went out through the land of Egypt: [where] I heard a {language} [that] I understood not. language When Israel went out of Egypt, the house of Jacob from a people of strange {language}; language In that day shall five cities in the land of Egypt speak the {language} of Canaan, and swear to the LORD of hosts; one shall be called, The city of destruction. language Then said Eliakim and Shebna and Joah unto Rabshakeh, Speak, I pray thee, unto thy servants in the Syrian {language}; for we understand [it]; and speak not to us in the Jews' language, in the ears of the people that [are] on the wall. language Then said Eliakim and Shebna and Joah unto Rabshakeh, Speak, I pray thee, unto thy servants in the Syrian language; for we understand [it]; and speak not to us in the Jews' {language}, in the ears of the people that [are] on the wall. language Then Rabshakeh stood, and cried with a loud voice in the Jews' {language}, and said, Hear ye the words of the great king, the king of Assyria. language Lo, I will bring a nation upon you from far, O house of Israel, saith the LORD: it [is] a mighty nation, it [is] an ancient nation, a nation whose {language} thou knowest not, neither understandest what they say. language For thou [art] not sent to a people of a strange speech and of an hard {language}, [but] to the house of Israel; language Not to many people of a strange speech and of an hard {language}, whose words thou canst not understand. Surely, had I sent thee to them, they would have hearkened unto thee. language Therefore I make a decree, That every people, nation, and {language}, which speak any thing amiss against the God of Shadrach, Meshach, and Abednego, shall be cut in pieces, and their houses shall be made a dunghill: because there is n o other God that can deliver after this sort. language For then will I turn to the people a pure {language}, that they may all call upon the name of the LORD, to serve him with one consent. language Now when this was noised abroad, the multitude came together, and were confounded, because that every man heard them speak in his own {language}.
